Hill's HelpLine 1800 679 932

December 2013

Dear Veterinary Colleague

Congratulations on the completion of your studies and welcome to the veterinary profession. Hill's Pet Nutrition would like to wish you success as you start your career caring for pets and their people.

We know how daunting the first year in practice can be, and would be pleased to help you with any nutritional queries. The Hill's Helpline at 1800 679 932 is staffed from 9:00am - 5:00pm (NSW time) Monday to Friday and is a great resource for new graduates.

As you know, Hill's is a committed partner to the veterinary profession. In addition to the support provided during your time as a veterinary student, we have programs designed to support veterinarians in private practice. Ask your Hill's territory manager if you require further information on any of the programs supported by Hill's below:

- Proud supporter of local animal shelters since 1997, including RSPCA, Cat Haven, Cat Protection Society of NSW Inc, Lort Smith Animal Hospital, Sydney Dogs and Cats Home and the Hobart Cat Centre.
- Support of continuing education through our platinum **sponsorship of AVA, ASAVA** and many other professional groups.
- **World Small Animal Veterinary Association (WSAVA)** Prime Partner.
- Sponsorship of the AVA **VetEd Library** giving AVA members and students access to the world's most comprehensive full text veterinary databases free of charge 24 hours a day, 7 days a week.
- Free quantitative **Urolith Analysis Service** with a 10-14 day turn around.
- Free access to www.HillsVet.com, a complete, online nutritional resource.
- Regular **webinars and speaker tours**.
- Exclusive programs designed to help you practice better medicine, including **National Pet Slimmer, Puppy/Kitten Healthy Start, Dental Health Month, Senior Program, Puppy Pre-School** and more.
- **In-Clinic Training Seminars** covering nutrition and business skills. Arranged through your Hill's territory manager.
- **Veterinary Nutritional Advocate (VNA)** - free on-line self-study course to help you continue learning about nutrition.

Our territory managers look forward to meeting you in your clinic.
All the best for your career in this rewarding profession.

Kind regards,
