Hill's Pet Nutrition Pty Ltd
[redacted]

Dear [redacted]

The veterinary students of Murdoch University College of Veterinary Medicine with the support of the Murdoch University Vet Trust is excited to advise that we will be producing a yearbook for the graduating class from 2013. This year's graduating class will be receiving their yearbook at the graduation ceremony in February 2014.

The yearbook will be a valued keepsake and memento for staff and graduating future veterinarians of their experience and memories of their journey through veterinary college.

As Hill's Pet Nutrition is a long-time supporter of Murdoch University Veterinary College, we would like to give you first opportunity to assist us in this project by becoming the Gold Sponsor for the yearbook for the Class of 2013.

The contribution for becoming Gold Sponsor is $1000 plus GST, payable through the Veterinary Trust.

The benefits for the Gold Sponsor are:

- Three full pages of the year book for the purpose of product information or advertisements
- One page will be allocated for a forward message from your company to the graduating class
- Company logo will be displayed on the front cover of the yearbook
- Company logo will be displayed at the top of the sponsor page at the back of the yearbook
- Two complimentary copies of the yearbook for your company.

We believe this yearbook will be a beneficial opportunity for Hill's Pet Nutrition to expand their presence directly to the next generation of veterinarians now and into the future, as well as to their family and friends who they will share these memories with.

To enable the Yearbook Committee to progress with their planning of this project, we would greatly appreciate your response by 27th September 2013.

Please do not hesitate to contact me directly on [redacted], or Ellaine Hislop from Veterinary Trust at e.hislop@murdoch.edu.au for any other information that you require. We look forward to hearing from you and hope you can join us on this project.

Yours sincerely

Samson Lui
Vet Trust Ambassador
Project Chair of 2013 Yearbook Committee
