Reality therapeutics: our 5 favourite products and why

With the advent of many new therapeutic options in the market for itching, ear disease, fleas and topical therapy, it is often difficult to know how to select the best product; in this lecture we share our secrets about our favourite products and how we use them to their best advantage to help our patients

Dermclub; keeping the veterinary practitioner up-to-date with the latest research pertinent to today's practice

Cost: Free

Please RSVP by Monday 16th July for catering purposes to the Office of Continuing Education: email cve@murdoch.edu.au or fax 08 9360 7283. Please provide your name, practice, email address and AVA number (if applicable).
