That's great news! :)

And yes, Elaine, it is a yearly figure. And though I realize it sounds like a lot, certain large SIGs have budgets of 3-4k per year. In addition the MVSA has a rather large budget as well. Unfortunately its an estimate of 20-30k. Currently our financial records are rather lacking. However, our new system will keep much better tack of everything, but until that starts later this year (with our new treasurer) it's only a guess. We do plan to become sustainable in the long-run, but we are not ready to support all of the student endeavors at this time, as we will need confidence, and support, of the entire student body, which will take some time.

If you need anything at all, let me know. Both myself and our new VP, Richie Trinder, will be around over the summer break.

thanks!

Hi [redacted]

I forgot to ask whether the proposed amount in your proposal was a yearly figure.

Hi [redacted]

Congrats on your election to the role of MVSA President for next year. A big year ahead for you ☺

I have some news on the sponsorship proposal. I spoke to [redacted] from Hill's yesterday, and she seemed really keen on the idea of sponsoring the MVSA as part of our overall sponsorship agreement. I will be finalising details over the next couple of weeks and will let you know how I am going.

If there is any decision to be made about dollar value and benefits that Hill's may receive for supporting your group, I will get in touch with you for a chat.

Kind regards

Ellaine

hi ellaine,
i know it's late, probably too late. However, I have attached the proposal for the MVSA rejuvenation fund.

if Hill's is out as a potential sponsor, I'd really like your help to find one, or several, to get this off the ground and it will massively improve student life here at murdoch.

i'm sure it needs your special touch to edit and make it sound like an actual proposal. let me know what it needs

thanks!
