Hello Ellaine,
I hope all is well in the west. Wish I could send you some of our rain.
Just a quick follow up on the badging ceremony - I hope it went well? I was looking for your email assuring me that the books had arrived and could not find it, so just wanted to check that I had not imagined that.
I will be over for the WA division conference, probably arriving 8th March and leaving 13th March.
Would it be possible to schedule some time with you and Kelly on the Thursday, Friday morning or Monday?
Kind regards,
[redacted]
