Hi Ellaine,

As I mentioned before, I'd gone off the idea of seeking a co-sponsor for the emergency course, but since Royal Canin are asking I'll update the co-sponsorship proposal we were initially thinking of sending to Merial and send to them and see what happens.... ☺

Cheers,

Kelly

Hi Kelly,

Thank you for your reply.

Could you possibly send through the proposal for the co-sponsorship?

I look forward to hearing from you soon.

Thanks [redacted]

Hi [redacted]

Thank you for your email and interest in our Emergency Medicine Course.

We will not be holding a trade fair as such however there is the opportunity to be co-sponsor of the course alongside IDEXX. Sponsorship benefits will include the opportunity to have a stand in the room during the morning tea, lunch and afternoon tea breaks on the first day, opportunity to distribute promotional material/samples, as well as the opportunity to include one page of A4 material in the lecture notes/course proceedings.

If this is of interest to you please let me know and I can put together a formal sponsorship proposal for you to consider.

Kind regards,

Kelly

Dear Kelly,

I hope you are well.

Kelly, could I please check whether there will be a trade fair that we can participate in at the Emergency Medicine Course? If not, is it possible for us to add something to a show bag that the attendees may be getting?

I look forward to hearing from you soon.

Dear Vet,

We are holding a two day Emergency Medicine course on Sunday 22nd and Monday 23rd July 2012 at Murdoch University, Perth.

Please see attached brochure for further information.

Please note numbers for the second day are strictly limited so make sure you get in quick!

If we have your address, we will also be sending you a copy of the brochure in the mail.

Kind regards,

Kelly
